

IHF Car Parking is transitioning to a New Generation parking system

DURING THE TRANSITION, THE FOLLOWING FEES APPLY:

\$5/day Cash/Card on exit
as of 21 January 2019

Your parking fees remain unchanged (\$5 per day).

While the system is being installed, parkers will be required to pay cash or card to the attendant upon exit.

Customers with parking privileges should contact their fleet manager for a parking permit.

Account holder balances will remain unchanged.

Customers with account balances will have their current balance preserved and transferred to the new system! Alternatively, you can request this balance to be refunded online.

Your patience at this time is appreciated.

Here comes the BOOM!

A boom gate will soon be installed at car park entry points. For a smooth entry, your parking account must be up to date, including valid:

- credit card details
- licence plate

Alternatively, please take a ticket upon entry and pay casual rates for your parking.
